INDEPENDENT AUDITOR'S REPORT ON FINANCIAL STATEMENTS

To
The General Assembly, Board of Directors, Advisory Council and Fiscal Council
Instituto de Políticas de Transporte e Desenvolvimento - ITDP Brasil
Rio de Janeiro - Brasil

Dear Sirs,

We have audited the financial statements of **Instituto de Políticas de Transporte e Desenvolvimento -ITDP Brasil**, comprising balance sheet on December 31, 2015 and the statement of income for the period, changes in net equity, and of cash flow for the year ended on that date as well as the summary of significant accounting practices and other explanatory notes.

Board's Responsibility over financial statements

The Institute's administration is responsible for the preparation and proper submission of financial statements in accordance with accounting practices applied in Brazil and by internal controls that its has determined as necessary to enable relevant preparation of financial statements, regardless whether it is accused of fraud or error.

Independent Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit, in compliance with Brazilian and international auditing standards. These standards require from auditors the fulfillment of ethical requirements and that audit be planned and performed to achieve reasonable assurance that the financial statements are free of distortion.

Auditing involves performing selected procedures to obtain evidence about the amounts and disclosures made in the financial statements. The selected procedures depend on the auditor's judgment, including assessment of distortion risks relevant to financial statements, regardless due to fraud or error. In the risk assessment, the auditor regards the entity's relevant internal controls to the preparation and proper submission of statements in order to plan audit procedures that are appropriate in the circumstances, and not to express an opinion on the effectiveness of such internal controls. An audit also includes evaluation of appropriateness of accounting practices used and the reasonableness of accounting estimates made by management, as well as assessment of statements presentation as a whole.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

The entity has not made payments of remuneration, advances, representation allowances, or distribution of results to its elected Directors or advisers; nor its managers overlap functions.

2. Financial statements preparation and presentation Basis

Financial Statements have been prepared in accordance with accounting practices adopted in Brazil applicable to nonprofit entities, issued by Brazilian Accounting Standards and within our operating environment, with observance of compliance to international accounting standards.

a) Conversion

Financial Statements are presented in Reais (R\$), which correspond to the functional currency of "ITDP-Brasil" and have also been translated and converted to U.S. Dollars (U.S. \$), producing reports in presentation currency as supplementary information.

According to standards for NBC TG 02 (R1) - Effects of Changes in Foreign Exchange Rates and Conversion of Financial Statements, the preparation of income statements were translated into U.S. dollars at average monthly exchange rate, which is approximate to the exchange rate prevailing at the date of the corresponding transactions. Balance sheet has been converted to U.S. dollars at the exchange rates of the end of each year.

Currency conversions occurred by using the official exchange rate announced by the Receita Federal do Brasil, for drawing up the balance sheet.

The effects of exchange rate changes resulting from these conversions are presented under "Other Comprehensive Income" in Social Equity.

Notes to Financial Statements Years Ended December, 31 2015 and 2014 (in U.S. dollars)

3. Summary of significant accounting practices

19. Performance Assessment	2015	2014	
Current Liquidity			
Current Assets Current Liability	$= \frac{49,615.07}{18,629.50} = 2.66$	2.77	
Net Equity Immobilization			
Fixed and Intangible Assets x 100 Net Equity	$= \frac{21,464.55 \times 100}{52.632.12} = 41\%$	19%	

The Institute's current liquidity situation holds good safety margin for this index measures how much investment it has in Current Assets investments for every US\$ 1.00 in enforceability under current liabilities, i.e., for each owed US\$ 1.00 it holds US\$ 2.66.

The degree of Immobilization demonstrates that the Institute has invested in Fixed and Intangible Assets the equivalent to 41% of Net Equity in 2015.
