Balance Sheet.....	4
Income Statement for the Period.....	5
Statement of Changes in Net Equity.....	6
Cash Flow Statement .....	7
Notes to Financial Statements.....	8

## **INDEPENDENT AUDITOR'S REPORT ON FINANCIAL STATEMENTS**

To  
The General Assembly, Board of Directors, Advisory Council and Fiscal Council  
**Instituto de Políticas de Transporte e Desenvolvimento - ITDP Brasil**  
Rio de Janeiro - Brasil

Dear Sirs,

### **Opinion**

We have audited the financial statements of **Instituto de Políticas de Transporte e Desenvolvimento - ITDP Brasil** (the Entity), which comprise the balance sheet as at December 31, 2021, and the income statement, statement of changes in equity and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements of the Entity are prepared, in all material respects, in accordance with accounting practices adopted in Brazil.

### **Basis for Opinion**

We conducted our audit in accordance with Brazilian and international auditing standards. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the Professional Code of Ethics of the Accountant, norms issued by the Federal Accounting Council, and we have fulfilled our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Other Information**

#### **Functional and Presentation Currency**

Financial Statements are presented in Reais (R\$), which correspond to ITDP-Brasil's functional currency, producing reports translated to english as supplementary information.

### **Audit of the values for previous year**

Figures for the year ended December 31, 2020, presented for comparison purposes, were audited by us and issued an Independent Auditors Report, and with unqualified opinion dated March 22, 2021, which did not contain modification.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation of the financial statements in accordance with accounting practices adopted in Brazil, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Brazilian and international auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Rio de Janeiro, March 21, 2022.

**INSTITUTO DE POLÍTICAS DE TRANSPORTE E DESENVOLVIMENTO  
ITDP BRASIL**

**Notes to Financial Statements  
Years Ended December, 31 2021 and 2020  
(in Reais)**

<b>25. Performance Assessment</b>	<u><b>2021</b></u>	<u><b>2020</b></u>
<b>Current Liquidity</b>		
$\frac{\text{Current Assets}}{\text{Current Liability}}$	$= \frac{693.408,25}{442.824,10} = 1,57$	$3,72$
<b>Net Equity Immobilization</b>		
$\frac{\text{Fixed and Intangible Assets}}{\text{Net Equity}} \times 100$	$= \frac{22.124,64 \times 100}{272.708,79} = 8,11\%$	$1\%$

The Institute's current liquidity situation holds safety margin for this index measures how much investment it has in Current Assets investments for every R\$ 1.00 in enforceability under current liabilities, i.e., for each owed R\$ 1.00 it holds R\$ 1,57.

The degree of Immobilization demonstrates that the Institute has invested in Fixed and Intangible Assets the equivalent to 8,11% of Net Equity in 2021.

**26. Subsequent Events**
